## QUESTIONS AND ANSWERS!

### ✓ I was registered to vote before my conviction. Do I need to re-register?

**Yes.** If you were registered to vote before you were convicted of a felony, your registration was terminated, and you will need to [fill out a new registration form](#).

### ✓ Are you currently homeless or staying at a shelter? You can still register to vote!

You can often register to vote using a shelter address, like Salvation Army or ARCH (Front Steps). Just remember, if you use their address, your voter certificate will be mailed there. Check with a staff person at your shelter for a registration form and ask to use the shelter address.

### ✓ I sent in my registration application. Now what?

After you mail your registration application, it will be processed, and you should receive your "[Voter Registration Certificate](#)" in the mail at the address you wrote on your application [within 30 days](#). Once you receive your certificate, [sign it](#), and make sure to [bring it on Election Day](#).

### ✓ I received a "Response to Notice of Examination" letter in the mail. What should I do?

Sometimes the Secretary of State sends a letter to confirm that you are "off paper" and eligible to vote. If you receive this letter, fill it out, and immediately [mail it back to REGISTRAR OF VOTERS, P.O. Box 1748, Austin, TX 78767](#).

If you have been convicted of a felony, you will need to fill out a section that looks like this:

- \_\_\_\_ I have been convicted of a felony, however:
- \_\_\_\_ I have been pardoned.
  - \_\_\_\_ I have reached the completion of my sentence (including probation or parole).
  - \_\_\_\_ My case is currently under direct appeal.

Signature of Voter

Date of Response

After you check the appropriate line above, make sure to [sign and date your response](#). If you signed your name, then you do not need to fill out the bottom half of the form.

## ✓ I didn't receive my Voter Registration Certificate. What should I do?

If you didn't receive your certificate within 45 days, you should call the **Travis County Tax Office at (512) 854-9473** so that they can find out why the card's mailing may have been delayed.

If needed, you can request a replacement voter registration card or update your address by completing and printing the online "**Voter Registration Application**" form, found by clicking the "**Register to Vote**" tab here <https://tax-office.traviscountytx.gov/voters/voter-registration>. Or you can write a letter to request a replacement certificate. Your letter should include your name, date of birth, residence address, mailing address (if different from residence address), your signature, and the date. **The completed form or letter should be mailed to: TRAVIS COUNTY VOTER REGISTRATION, P.O. Box 149327, Austin, TX 78714-9327.**

## ✓ I'm registered! Now, how do I vote?

**Find Your Polling Place.** Your voter registration certificate or card will have the number of the precinct in which you'll vote on Election Day. (A precinct is a geographic area in your county.) **Check your local newspaper on the Saturday before the election** for the address of the polling place for your precinct. You may also find more information about where to cast your vote in your precinct here: <https://tax-office.traviscountytx.gov/voters/jurisdiction-maps>. **On Election Day**, arrive there **between 7 a.m. and 7 p.m.** to vote.

**If you can't find your polling location, call (512) 854-9473 for help.**

When you enter your polling place, show your voter registration card or a valid I.D. to the election official and, depending on the type of voting machine they use, they'll provide you with a paper ballot or, for an electronic voting machine, a number or ballot activator card that enables you to vote on the machine. If you have questions about using the machine or filling out a ballot, just ask the poll worker for help. They are there to make sure your vote is counted!

### Valid I.D. options include:

- Texas driver license issued by the Texas Department of Public Safety (DPS)
- Texas personal identification card issued by DPS
- Texas Election Identification Certificate issued by DPS
- Texas license to carry a handgun issued by DPS
- United States military identification card containing the person's photograph
- United States citizenship certificate containing the person's photograph
- United States passport

With the exception of the U.S. citizenship certificate, the identification must be current or have expired no more than 4 years before being presented for voter qualification at the polling place. (Source: <http://www.votetexas.gov/register-to-vote/need-id/>)

## ✓ I cannot obtain one of the seven forms of approved photo ID. Can I still vote?

If you have a reasonable impediment or difficulty obtaining such identification, you may present a supporting form of identification and complete a Reasonable Impediment Declaration. The Reasonable Impediment Declaration form may be found at <http://www.sos.state.tx.us/Elections/forms/pol-sub/reasonable-impediment-declaration.pdf>. It must be completed both by the voter and by the election official.

**Supporting forms of ID include:** Valid voter registration certificate, certified birth certificate (must be an original), copy of or original current utility bill, copy of or original bank statement, copy of or original government check, copy of or original paycheck, copy of or original government document with your name and an address (original required if it contains a photograph). **If you have a disability, you may also apply within the county voter registrar for a permanent exemption.**

## ✓ My name is not on the list of registered voters. Can I still vote?

**Yes.** If your name is **not on the list** of registered voters at your polling place, ask to **fill out a Provisional Ballot**.

## ✓ I went to vote, but I forgot my Voter Registration Certification and I.D. Can I still vote?

**Yes.** If you forgot your Voter Registration Certification *and* I.D., ask to **fill out a Provisional Ballot**.

## ✓ I am being detained in jail pretrial (or I will be outside of my county on Election Day). Can I still vote?

**Yes.** If you will be outside of your county on Election Day, or if you are in jail awaiting trial, and you are not on probation or parole, and you **meet all other voting eligibility requirements**, you can vote! The best way to make sure your vote is counted is to vote early by mail. If you are already a registered voter, you (or a loved one) may **print an application for Ballot by Mail from the Secretary of State website at [www.sos.state.tx.us/elections/voter/reqabbm.shtml](http://www.sos.state.tx.us/elections/voter/reqabbm.shtml)**.

If you do not have access to a printer, you can visit that same website to **request that an application for Ballot by Mail be sent to you**. If you do not have access to a computer at all, you can **write a letter requesting a Ballot by Mail** be sent to you from:
