The Texas Criminal Justice Coalition, in partnership with SA Stands, is producing weekly updates on the impact of COVID-19 within the Bexar County Jail. Data is sourced from the Texas Commission on Jail Standards and the San Antonio Metropolitan Health District.

**COVID-19 NUMBERS AS OF JUNE 10, 2020**

The chart below, compiled from data reported by the Texas Commission on Jail Standards, represents the daily totals of active, confirmed cases of COVID-19, and the number of pending test results among those incarcerated.

As reported by the San Antonio Metropolitan Health District, there have been **411 incarcerated individuals** and **60 jail staff who have tested positive for COVID-19** from the beginning of the outbreak to June 10, 2020. Out of the total number of cases, **79% of incarcerated individuals and 23% of staff members showed no symptoms.**
